

# Are You Currently Processing Credit Cards?

If your answer is “yes”, then you need to take advantage of LEADERS' Assured Savings Offer! LEADERS MERCHANTS SERVICES wants to offer you a Free Rate Evaluation.

Just provide us with a copy of your two most current processing statements and we will prepare an analysis complete with LEADERS' new rates and your estimated savings.

We'll meet or beat your current pricing. If we can't, we'll give you a \$200 Gift Card for letting us review your current pricing.\*

**LEADERS**  
MERCHANT SERVICES

\*Our “meet or beat” offer will be based on an analysis of your two most recent monthly processing statements. Whether we can “meet or beat” your current pricing will be based on a comparison of your current overall monthly costs (a combination of rates, fees, and monthly charges) with LEADERS' proposed rates, fees, and monthly charges. Each of the merchant's two most recent processing statements must show a minimum monthly processing volume of \$2,000 in Visa, MasterCard and Discover credit card transactions (excluding PIN Debit). Our \$200 Assurance is payable only if LEADERS' analysis shows that we cannot at least match your current rate structure and processing profile. Actual costs for months in which the merchant processes with LEADERS' may vary from month to month depending on processing volume and profile. Savings from your current rates are not guaranteed. This offer does not apply to high risk merchant types or merchants with poor credit.
